Show highlights

Trend Forums & Trend Book dreamed up by Louis Gérin and Gregory Lamaud, Artistic Directors for the shows, highlight exhibitors products onsite and on digital media, during and after the shows.

Various itineraries are proposed to Buyers in order to facilitate their research:

SMALL QUANTITY

- **The Small Order Itinerary** which lists the manufacturers who can sell small quantities to designers is a real asset for small brands and capsule collections.

- **The Economy Finder:** for more than 15 years, the show has been promoting eco-responsible and ethical textiles, allowing you to find sustainable companies for a greener sourcing. Our icon reliably guides you to exhibitors with sustainable solutions and to our content formats during the trade fair.

- **The Handmade Itinerary** aims to promote the finest handicraft of our manufacturers, coming from around the globe: embroideries, brocarts, handwoven fabrics and more to be discovered.

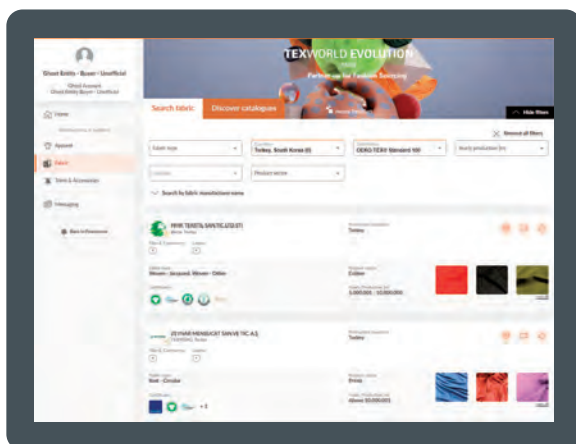

A qualitative programme of events is organised with professionals and experts of the industry:
Discover our conferences on the most recent trends, innovations and sourcing possibilities. Plus, carefully chosen items from the manufacturers collections are featured on the shows catwalks.

Sourcing online all over the year!

Extend the experience on our digital platform powered by Foursource and get the membership for 6 months!

- Get in touch with Buyers and create your own digital showroom
- Benefit from a custom matchmaking based on your core business
- Organise your quotation requests and prepare the next trade fair appointments

Avantex

The international innovation trade fair for an advanced and sustainable fashion

Avantex Paris is held once a year in July, and brings together the international fashion-tech offer by integrating all the innovations and services that, from upstream to downstream of the industry, allow to accompany the ecological and digital transformation of the fashion actors.

Avantex Paris is now structured around 3 concepts:

- **Le HUB**, which brings together suppliers of innovative solutions and services for the fashion industry in a completely open area,
- **The Designer HUB** is designed to bring selected textile studios, agencies and independent designers together with fashion brands and manufacturers,
- **ReSources**, which showcases suppliers of innovative and eco-responsible products, materials and manufacturing techniques in an exhibition area specially designed to host their samples and showcase their innovations.
